Research Project Plan Certification
Step 2: Submission Form – “Open Review”

Research Project Title:	
Name of Researcher, including full contact details (email, telephone, mail address)	
Organization where Research will be conducted	

Congratulations, the IUR Commission has accepted your Research Topic. We now request that you submit a completed Research Project Plan (RPP) for “Open Review”.

Notes on submission:

1. A detailed RPP must accompany this form. The RPP format is not stipulated, but should be as detailed as possible, not to exceed 4 pages.
2. The RPP must include – Reason for Research; Hypothesis; Equipment and materials; Outline of procedure; Estimate of time required. NOTE: The more details you provide in the project plan on expected outcomes, resources required, level and type of collaboration necessary, etc., the better position the IUR will be in to provide guidance and recommend assistance for your research.
3. During the review process, the IUR may return the RPP with questions or suggestions for improvement.
4. A fee of \$25 is required prior to RPP assessment. Confirmation of receipt of payment must accompany this form. (details for payment?)
5. Submit this form together with the RPP and confirmation of payment to the IUR Commission Chair.
6. The IUR undertakes to respond to this submission within 6 weeks.
